PRODUCT SPECIFICATION

Series 8839

SERIES 8839

**SURFACE MOUNTED T-HANDLE
WITH A SHORT, TUBULAR BODY.**

OVERVIEW

Spring-loaded, compact vending T-Handle

This spring-loaded, pop-out T-Handle offers a compact body size similar to the Series 8835 but accepts a wider range of Locking Inserts that meet NAMA dimensional standards.

Product features

- Slim front profile for flush fitting and attractive appearance
- Will accept a range of camlock locking inserts
- Concealed locking bolt
- Supplied with a 38mm flat cam with 1/4 or 1/2 turn operation
- Black nickel-plated version available, subject to order quantity
